2nd In Class	\$10.00
3rd In Class	\$5.00

Photography Classes

- Class 44 Orchids in Nature**
Focused on the plant(s) and/or flower(s) of the orchid and not the natural habitat. The habitat should contribute less than 50% of photograph. Photographs of orchids in their natural habitat where the habitat contributes 50% or more of the photograph should be entered in Class 47.
- Class 45 Orchids in Cultivation**
Focused on the flower(s) of the orchid and not the surrounds. The photograph being taken in a cultivation setting (e.g. shade house, grow tent or in the home.)
- Class 46 Orchids at a Micro Scale**
Miniature flower(s) or a part of a flower or plant that is usually too small to be seen with the naked eye (e.g. hairs on a labellum)
- Class 47 Orchids in Natural Habitat**
Orchid amongst the flora and/or landscape. The habitat in which the orchid is found should contribute 50% or more of the overall photograph.
- Class 48 Orchids Out of Context**
Orchid found outside of the orchid house, orchid show or natural habitat (e.g. electrical poles on the street)
- Class 49 Orchid Silhouettes in Nature**
Focused on capturing silhouettes of orchid plant(s) and/or flower(s) and not the natural habitat. Habitat should contribute less than 50% of photograph.

Photography Conditions

26. Entries of exhibits shall be free and open to all members of orchid societies and other invited groups. Acceptance of any entry shall be conditional on the exhibitor agreeing to be bound by the conditions set out below. Exhibitors are responsible for the correct labelling of every photograph exhibited and must show the class and exhibitor's ID number (obtainable from Benching Plant Registrars) on the rear of the photograph.
27. ANOS (Qld) - Kabi Group Inc. or its agents accept no responsibility for the theft, loss, destruction or damage of any kind to photographs either during transport to or from the show or while at the show for display or sale. All reasonable care will be taken.
28. The show marshall has the right to determine the class in which any photograph may be exhibited. The show marshall may reject, remove or rearrange any entry and combine and/or establish extra classes if needed. The show marshall's decision is final.
29. Exhibits must be benched by 7:00 pm on Friday 8 April 2022. All photographs entered will be judged.
30. Photographs must not be removed before the termination of the show.
31. A maximum of two (2) photographs may be entered in each class by an exhibitor unless prior arrangements are made.
32. Photographs must feature orchids and be either 8" × 10" or A4 in size. Portrait or landscape is acceptable. Photographs must not be framed or mounted in any way by the exhibitor. Any white border on the photographs must not be wider than 5 mm. The photographs must not include any fancy printed borders. Borderless photographs are acceptable. Photographs must be suitable to attach to the display board using sticky Velcro dots unless prior arrangements are made.
33. Photographs must be labelled on the front with the botanical name of the orchid species or hybrid featured in the photograph. If the orchid name is unknown, the Kabi Group will assist with orchid identification if the photograph is emailed to anos.kabi@gmail.com prior to the show.
34. Photographs must have been taken by the exhibitor. Photographs may be manipulated or enhanced either inside or outside the camera.
35. Photographs must not have been benched, by the exhibitor, at any previous Kabi Group show.
36. Class 44 Orchids in Nature, Class 47 Orchids in Natural Habitat and Class 49 Orchid Silhouettes in Nature must feature wild orchids naturally growing in the bush and not feature cultivated orchids or cultivated orchids planted in the bush.
37. Class 45 Orchids in Cultivation must feature cultivated species or hybrid orchids.
