

## GENERAL CONDITIONS

1. Entries for all Classes are to be free and open to all financial members of all Orchid Societies.
2. The Show Marshall or his/her representative, shall have the right to refuse the entry of any plant which, in their opinion, is not in show bench condition and/or free of disease/pests.
3. No plant shall be removed from the displays until the termination of the show, at 2.00 pm on Sunday, without special approval of the Show Marshall or his/her representatives.
4. All exhibitors must leave the show area prior to commencement of the judging at 7.30 pm on Friday. No judging will commence until all exhibitors have left the show area. The only exception to this will be for Judges and nominated Stewards.
5. Photographs may be taken at any time, but NOT at the inconvenience of show patrons.
6. Judges shall be appointed from the North Moreton Queensland Orchid Council Inc. Judging Panel or invited Judges. Judging shall be in accordance with the current Australian Orchid Council "Guidelines for Judging", except where varied by these conditions. All judging decisions shall be final.
7. Allocation of Judges to various Judging Teams will be the responsibility of the Registrar of the North Moreton Queensland Orchid Council Inc. who will also control Judging Procedures.
8. Minimal staking and tying and any other support will be permitted, but shall not modify the natural inflorescence habit. The judging panel has the right to remove any staking and/or tie if necessary in order to ascertain the strength of the inflorescence. In all genera, no inflorescence is to be tied or supported on any part of the flower or its attachment to the inflorescence. Para film or florist tape is not permitted to be used as ties.
9. All plants exhibited in the show are eligible for judging for 1st, 2nd and 3rd prizes in their appropriate general classes and also for Champion.
10. If, in the opinion of the Judges, the exhibits do not merit the award of a prize, no such award shall be made. Exhibits, on which the flowers have obviously been excessively manipulated or are not in reasonable show bench condition, shall not be considered for prizes.
11. A condition of acceptance of any exhibits will be that the exhibitor agrees that if the Judges consider the exhibit worthy of an award then the owner gives permission for it to be assessed for a possible award. Conferring of an award for any exhibit will not proceed without the further and full permission of its owner.
12. Exhibitors are responsible for ensuring that all plants are clearly and legibly labelled with the correct name. The Exhibitor's Number is to be marked on the front top right hand corner of the label. NB: Unlabelled plants will not be judged.
13. Plants shall have been owned and grown by the exhibitor for the preceding six (6) months.
14. An Australian Native Orchid Species is one found growing on the Australian Mainland, Tasmania or any coastal Island under the political control of an Australian State, but does not include those from Trust Territories or natural hybrids.
15. An Australian Native Orchid Hybrid shall be the progeny exclusively of Australian Native Orchids or their hybrids: that is to say, no exotic orchid shall be included in their ancestry.
16. The proportion of *Spatulata* parentage must be such that the hybrid shape does not show influences from any other *Dendrobium* section.
17. Raffles will be drawn and the Champion Prize presented after 1.45 pm on Sunday.
18. All other prizes may be collected after 2.00 pm on Sunday.
19. Interpretation of this Show Schedule and Conditions rests with the President, Show Marshall or their representative/s.
20. Exhibits are received but no responsibility will be accepted for any loss or damage incurred either during the show, or in transit, and the exhibitors shall have no claim whatsoever against North Moreton Queensland Orchid Council Inc or participating society or sponsors or the owners of the premises in which the show is held.
21. A condition of acceptance of any exhibits will be that the exhibitor agrees to be bound by the General Conditions set out above.
22. Novice Section is restricted to novice growers of NMQOC Inc affiliated societies only.
23. Fire Ant Regulations must be adhered to.

**Notes:** Oncidiinae subtribe

- D1 Oncidium or Gomesa Hybrids
- D2 Tolumnia type Hybrids
- D3 Oncidiinae Hybrid other than Classes D1 or D2
- D4 Oncidiinae Species

### **Paphiopedilum Section**

**Notes:** Does not include Phragmipedium

- E1 Paphiopedilum Exhibition type Hybrids
- E2 Paphiopedilum Any Other type Hybrids
- E3 Paphiopedilum Primary Hybrid (Parentage to be shown on label)
- E4 Paphiopedilum Species

### **Phalaenopsis Section**

**Notes:** Phalaenopsis now includes Doritis

- F1 Phalaenopsis Exhibition type Hybrids - Predominantly White
- F2 Phalaenopsis Exhibition type Hybrids - Any other colour
- F3 Phalaenopsis Novelty & Harlequin type Hybrids
- F4 Phalaenopsis Any Other type Hybrids

### **Vanda Alliance Section**

**Notes:** Aeridinae and Angraecinae subtribes

- G1 Vanda Hybrids - Up to 60mm
- G2 Vanda Hybrids - Over 60mm
- G3 Vandachostylis Hybrids
- G4 Vandaceous Any Other Hybrids
- G5 Vandaceous Species (including Phalaenopsis)

### **Any Other Genus Section**

**Notes:** If less than 3 entries classes may be combined

- J1 Cymbidium Hybrids
- J2 Catasetum Alliance Hybrids
- J3 Phragmipedium Hybrids
- J4 Bulbophyllum species
- J5 Dendrochilum species
- J6 Miniature Species (other than Dendrochilum - flowers under 10mm)
- J7 Hybrids not provided for elsewhere
- J8 Species not provided for elsewhere

### **Novice Section**

**Notes:** See Condition 22

- K1 Novice Any Hybrid
- K2 Novice Any Species

### **Foliage Section**

**Notes:**

- L1 Ferns
- L2 Anthuriums
- L3 Bromeliads
- L4 Foliage
