📧 anos.kabi@gmail.com
🌐 www.ourshopfront.com/kabi

The Australasian Native Orchid Society (Qld) – Kabi Group Inc. is a group of people with an interest in Australasian native orchids and their hybrids. The name Kabi being derived from *Gubbi Gubbi* (Kabi Kabi) the name of the indigenous peoples of the local area, prior to settlement.

The group meets once a month (second Tuesday), except January, at the Newman Room, Geebung RSL, 323 Newman Road, Geebung.

The meeting commences at 7:30pm and includes a guest speaker, a verandah discussion session (while benched plants are being judged), followed by reports and general business. Members are encouraged to exhibit plants at the meetings (tabled prior to start of meeting and before 7.20pm). The plants are judged by ANOS judges who provide a commentary and group members participate in a popular vote. The meetings are followed by supper allowing members and visitors, time to chat.

The group organises field trips (bush walks and bush house visits), plant relocation activities and participates in several shows and displays throughout the year. Other social activities include bus trips and an Australia Day function.

A monthly newsletter *Kalhari* is emailed to all members.
